

THE WATER SHED

weddings

The Water Shed is perfect for your intimate humanist ceremony

The award-winning property floats over a crystalline natural swimming pond and is set in the unspoilt beauty of the SSSI site that surrounds Bosham harbour in Chichester, West Sussex.

The Water Shed will fully immerse you in nature, creating a sanctuary for your special day.

THE WATER SHED

weddings

Featured on Grand Designs,
it was lauded by The Sunday Times as the best
property in the show's history - and has had
huge attention from accross the globe.

Condé Nast have given it the very top slot
in their favourite houses to stay at in the UK.
The architecture and interiors
"ooze cool in every direction".

"Dan and Nina have made a slice of heaven on earth"

KEVIN McCLOUD

"The hosts were superbly attentive, both prior and during our stay. The house was out of this world... my guests and I spent the whole trip marvelling at the amazing space. We literally couldn't have asked for more."
